

East Blockhouse, Angle, Pembrokeshire, SA71 5BG

Directions from the M4 motorway:

At the end of the M4 go straight over the roundabout onto the A48 to Carmarthen.

At Carmarthen head straight over the first large roundabout, then turn left at the second roundabout following the A40 to Saint Clears.

After 8.5 miles you come to a roundabout with a Starbucks on the right hand side. Take the first exit onto the A477 towards Pembroke Dock.

After 19 miles you pass a Vauxhall garage on the right. Take the second turning on the left signposted A4075 to Pembroke.

When you get to Pembroke, go straight over the mini roundabout and down the hill. Follow the road past the school on the left then take the road immediately on the left signposted to Castlemartin and Angle. Stay on this road (it turns from the B4319 into the B4320)

After 1.5 miles you enter a village called Maidenwells. Take the second exit (straight on) at the roundabout here.

After 3 miles take the Left Hand turn signed to Angle, B4320, the road narrows dramatically after this point.

After 2 miles at the top of a small hill the road to Angle village is signed to the right. Do not make this turn but carry straight on following the old MOD sign for East Blockhouse. After about half a mile the road makes a sharp right down the hill back to the village. Don't follow the main road, take the no through road directly in front of you.

Follow the road up the hill, when you come to the very end of the road bear right and you will come to our gates. Continue over the cattle grid and after a few minutes you will see the white buildings surrounded by a fence.

Please note that our drive crosses open farmland, there may be cattle, horses, sheep or mud on the road, please drive very slowly.

Have a safe journey.
